## Full Itinerary

Join a local guide on this Kampala night tour that gets you out of your hotel and to some of the most authentic local spots in town, after the sun goes down. As Kampala like any other city is unique in its own way and often a daunting destination, we believe it's always best seen with a local, especially at night. Spend the evening with a local, visiting some of the coolest places in Kampala, and enjoying them all with a drink or two.

You'll kick off this Kampala tour by hopping in our private transport and head towards our first stop, a local bar in outside Kampala's Central Business District (CBD). Here, the first drink will be on us! We highly recommend that you try one of the local beers, the most famous of which is our beloved Nile beer, which is brewed with waters from the Source of the Nile.

If you don't like beer, no problem! There is also a selection of wines, gin to try here, as well as soft drinks and local juices. Perhaps you might like to try some Uganda Waragi, one of the best gins in the world. Whatever drink you choose, we'll sit back and relax, giving you the perfect opportunity to simply observe Kampala local life and chat to your guide about all things Uganda. We'll have a couple of drinks here, so there's plenty of time to ask your guide all those burning questions you have about Kampala.

Next up on this Kampala night tour is dinner, and for this we have handpicked a few special local Kampala restaurants. Whichever restaurant you go to, you will have the chance to sample the local cuisine. The meat lovers might want to try nyama choma, which is barbequed meat at the Kampala Carnivore restaurant in Naguru – be it beef, goat, chicken, pork etc. For the adventurous type, Carnivore serves game meat. To wash that all down, we'll take the time to enjoy an after-dinner drink – maybe something to fend off the food coma!

If you have chosen the tour that has entertainment as

an option, you will finish your tour with a Kampala nightclub experience or attend the Ndere Centre Cultural experience. You head to either Club Silk or Guvnor for a night club experience in Kampala for their themed weekends. OR if you fancy your chances at a Casino, there are up to nine Casinos to choose from.

After a relaxing nightcap, we'll drop you back to your hotel, where your tour will end.
